

Certificate of DNA Identification

Dog Name: PM'S BELLA LUNA

Owner Name: PETER CORSO

Birthdate: 1/18/2020

Registration Number: WM002155

MicroChip Number: 985141001692101

Genetic Gender: Female

Date of Analysis: 08/21/2023

Barcode: GS529849

Sample ID: 41639908

Order ID: 882124

Breed: Weimaraner

A unique DNA profile has been created for the individual listed above by genotyping Short Tandem Repeat (STR) markers. These genotype results uniquely identify the individual's genetic identity and are stored at Neogen for future parentage comparison.

STR DNA profiles can be compared between parents and offspring to verify parentage relationships. These markers do not provide information relevant to health, performance, behavior or other phenotypic traits.
